

# Official Launch of Newton Rail Park

*A Unique Public-Private Partnership*

**Wednesday, July 30 at 10:00 AM**  
**Jasper County Courthouse, Rotunda**  
101 1st Street North, Newton, Iowa 50208

Join Jasper County and Iowa Interstate Railroad (IAIS) for a milestone event announcing the creation of Newton Rail Park, a 367-acre industrial development designed to power the next generation of biofuels, advanced manufacturing and rail-enabled logistics.

This novel public-private partnership represents a joint investment of over \$10 million in property acquisition and infrastructure planning. Together, Jasper County and IAIS are setting a state-wide precedent for how local governments and freight railroads can collaborate to accelerate economic development, sustainability, and industrial competitiveness in the Midwest.

## What to Expect

- **Official remarks** by county and railroad leadership
- **Site Details** and economic potential
- **Q&A** with project leaders
- **Media availability** & networking

## Featured Speakers

- Brandon Talsma, Chair, Jasper County Board of Supervisors
- Joe Parsons, President & CEO, Iowa Interstate Railroad

*Expected attendees include media, business leaders, public officials, and economic development partners.*
