Hospital has 5 student volunteers gaining 80 hours each, and 9 student volunteers coming this semester. We also have about 20 coming next semester, from the Newton West campus. Additionally, we are in the process of setting up a rotation, through DMACC's Work-based Learning Program, for the school to include our facility in each semester's Worksite Industry Tours for all of DMACC, not just the Newton campus. This will also encompass schools from surrounding areas that leverage DMACC in their high school curriculum.	5/11/23 The Hospital auxiliary hosted their annual scholarship luncheon to award 12 individuals with scholarships for the upcoming school year.
