# Lack of affordable housing concern for Jasper County

11/31/2025

Almost half of county residents report problems with their current living arrangements

By Christopher Braunschweig  
Newton News

*Editor's note: This is the third in a series of articles exploring the results of the Jasper County Community Health Needs Assessment.*

Following mental health and substance misuse and lack of healthcare professionals, lack of affordable housing rounds out the top three priorities for Jasper County. According to the Jasper County Community Health Needs Assessment, secondary data indi-

**Jamee A. Pierson/Newton News**  
The Jasper County Community Health Assessment found that lack of affordable housing was the third highest priority for residents.

of substandard housing are slightly higher than Iowa rates.

Of residents surveyed, almost half, or 46.65 percent, reported experiencing a problem with their current living arrangement. Housing damage was identified as

spondents with lack of affordable housing impacting just more than 20 percent of the residents.

For home owners or renters that have issues the top response was lack of complete plumbing

within the county.

IMPACT will promote services in the community by offering open events with community partners including Discover Hope. Habitat for Humanity will work to build at least three houses in Newton by 2027, explore fundraising opportunities and look for way to work with Iowa Prison Industries for affordable housing.

JCCC will also work with area school housing/homeless contacts to make resources available and have a referral process. Finally, JCCC partners that work specifically on housing will meet to discuss resources, protocols and gaps of service for affordable living situations. The county's goal is to have these strategies complete by Dec. 31, 2027.

facilities followed by lack of complete kitchen facilities, one or more occupants per room and monthly housing costs, both renting and owning, greater than 30 percent.

The percentage of housing units with substandard conditions in Jasper County is 23.8 percent, higher than the Iowa rate of 23.41 percent. The only specific condition where Jasper County performs more poorly than the state is housing units lack-

ing a complete kitchen. Housing units in Jasper County (2.64 percent) that lack a complete kitchen is 2.65 percent higher compared to the state at 2.64 percent.

In the county, 23.58 percent of households have housing costs exceeding 30 percent of their total household income. The rate is slightly higher than the state average of 23.04 percent.

The county did come in under the state average for overcrowding, which is defined as more than one occupant per room at 1.22 percent compared to 1.75 percent for the state.

For current living conditions, 95.65 percent of those surveyed said

they have a steady place to live and 96.46 percent are not worried about their housing status for the next two months.

To address a lack of affordable housing, the county will work to promote affordable and safe housing resources within the county. To do that, it plans to launch a public awareness campaign through local media, highlighting the importance of affordable and safe housing in improving community health. It will work with the Jasper County Care Coalition (JCCC) to share new information and update the resource guide with what is available to residents. Central Iowa Shelter and Services will lead a Point in Time homeless count once a year in the county and JCCC will explore ways to reduce homelessness

# You could own a home!

## Habitat can help.

Affordable homeownership  
is available in **Newton** right now

Founded on the conviction that every person should have a decent, safe and affordable place to live, Habitat for Humanity brings people together to build homes, communities, and hope. We provide an affordable pathway to homeownership where homebuyers will spend no more than 30% of their income on their mortgage.

We are actively looking for a home buyer for Newton to build this year, which would be purchased by a homebuyer with an affordable Habitat mortgage.

Our program helps Jasper County residents prepare to own a home through homebuyer education, and program participants complete 200 hours of "sweat equity," volunteering to help keep our homes affordable.

**Homebuyers purchase their home upon completion of the program, with a mortgage payment capped at no more than 30% of their income at the time of purchase.**

**We Do Business in Accordance with the Federal Fair Housing Law**

We are pledged to the letter and spirit of U.S. policy for the achievement of equal housing opportunity throughout the Nation. We encourage and support an affirmative advertising and marketing program in which there are no barriers to obtaining housing because of race, color, religion, sex, handicap, familial status, or national origin.

## Our Mission & Vision

### MISSION

Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities, and hope.

### VISION

A world where everyone has a decent place to live.

Greater Des Moines  
**Habitat for Humanity** | We build strength, stability and self-reliance through shelter.

---

---

---

---

---

---

---

## The Need

- **More than 11,000** low-income families in our community are stuck in cost-burdened rental situations.
- In neighborhoods with Habitat's focus, more than **1 in 4 homes** need repair to preserve the home or maintain a basic level of safety.

Greater Des Moines  
**Habitat for Humanity** | We build strength, stability and self-reliance through shelter.

---

---

---

---

---

---

---

## The Need

- The need for affordable housing continues to grow as our community grows.
- By 2030, Central Iowa will need to add 61,000 net new housing units to accommodate new workers in the region.

Serving the Heartland  
Habitat for Humanity | We build strength, stability and self-reliance through shelter.

---

---

---

---

---

---

---

---

## The Need

- 1 in 8 families spend 50% or more of their income on housing, forcing them to make decisions between other necessary expenses, like healthy foods, health care, reliable transportation, or good education.
- No one should have to pay more than 30% of their income to afford a home.

Serving the Heartland  
Habitat for Humanity | We build strength, stability and self-reliance through shelter.

---

---

---

---

---

---

---

---

## Our Programs

Founded on the conviction that everyone should have a decent, safe, and affordable place to live, GDM Habitat seeks to transform neighborhoods and build bright futures through affordable homeownership and owner-occupied repairs.

- Homeownership Program
  - New Construction Homes
  - Direct Loan Program
- Home Preservation
  - Maintenance, Weatherization, and Safety
  - Accessibility Modifications
- Housing Counseling and Financial Education
  - Classes which prepare participants for home ownership
  - A personalized roadmap for financial success

---

---

---

---

---

---

---

### Additional Programs

Over the last 35 years, Habitat has been on the forefront of addressing affordable housing in Central Iowa. Since 1987, more than 450 families have had the opportunity to purchase a safe, affordable place to live, and 2,300 families have been helped to stay in their homes.

- The ReStore
  - Our two Restore locations (Euclid and Urbandale) help to support our mission through their revenue
- Volunteer Program
  - Through community volunteers we can expand the reach of our work, build more homes, and complete more repairs
  - Volunteers build community and learn valuable skills
- Neighborhood Launch Grant
  - The newly created grant provides seed funding to projects which build increase community relations in our core neighborhoods and improve quality of life.

# January Point in Time

**Central Iowa Shelter & Services**

**January 29, 2025 12PM - January 30, 2025 12PM**

## What does homelessness look like in YOUR community?

Person(s) who lack an adequate place to stay at night.

- RV or house with no running water/electricity
- Abandoned buildings
- Cars

Person(s) living in a publicly/private operated shelter for temporary living arrangements.

- Congregate shelters
- Motels/hotels paid by agencies
- Transitional Housing situations

Fleeing or attempting to flee domestic violence, dating violence, sexual assault, stalking or other dangerous/life-threatening conditions

## WHY?

This is an important time for people experiencing homelessness to connect/engage with community resources. Point in time is done to create a clear picture of how many people in our community are experiencing homelessness.
