Resolution No. _____

A RESOLUTION AUTHORIZING THE CLOSURE AND REMOVAL OF A BRIDGE IN JASPER COUNTY, IOWA

Moved by _____, seconded by _____

WHEREAS, a bridge is defined by Iowa Code 309.1 as a structure or multiple pipes that support a highway or railway over a depression or obstruction and said structure has an opening greater than 20 feet; and

WHEREAS, the Jasper County Secondary Roads department through a 3rd Party bridge inspection firm completed the inspection of the bridge over the Clear Creek on N 75th Ave W known as Bridge E24 by the County and as 199731 by the Federal Highway Administration (FHWA), and

WHEREAS, the latest inspection revealed timber pile decay and failure and erosion at both west and east abutments, and a bowed backwall at the east abutment, and

WHEREAS, a deficient bridge notification dated August 28, 2026, from the same 3rd Party bridge inspection firm recommended the closure of this bridge, and

WHEREAS, to resolve the issues with the abutments would require the removal of the deck, steel I-beam support under the deck, and abutments then the complete replacement of the abutments and associated backwalls, and

WHEREAS, the replacement of abutments, backwalls, steel I-beams, and deck could not be in-kind since it would need to meet current bridge loading requirements to avoid load posting immediately after completion, and

WHEREAS, a replacement not in-kind would be a construction project and in-turn subject to programming with the Iowa DOT and subsequent review and/or permitting with the United States Army Corp of Engineers (USACE) and the Iowa Department of Natural Resources (DNR), and

WHEREAS, this would result in a replacement bridge that is longer, wider, and at a higher elevation and in turn necessitating the allocation of approximately $1,500,000 in funding, and

WHEREAS, the County Highway Bridge Program (HBP) funding is allocated to the replacement of bridges on paved Farm-to-Market (FM) routes, this route and bridge are not part of the FM system and therefore ineligible for funding, and insufficient funds are currently available in the Local Secondary Roads Budget (Local Funds), and

Resolution No. _____

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of Jasper County, Iowa, that the County hereby authorizes the closure and removal of this bridge and the subsequent programing of a replacement for said bridge only when a source of funding is successfully awarded and/or budgeted and in turn approved by the Board of Supervisors of Jasper County, Iowa:
