Happy New Year from
Jasper County Senior Nutrition!

HAPPY NEW YEAR

The joy of winter is upon us! If the weather is unsafe to drive in, we will close. We work with Emergency Management to send out an automated telephone message that you will receive if we need to close for whatever reason. This call will come from phone number 641-841-1385 at approximately 9 AM. Please put this number in your phone, but do not try to reach us by this number. Continue to call us at 641-792-7102. We typically follow what the Newton School does when school is scheduled to be in session. The safety of our drivers is very important and if they feel a road, driveway or sidewalk is unsafe, we will not deliver to you regardless of being open.

If you need to cancel, please try to do so a day in advance or no later than 9:30 AM the day of, if possible, by calling 641-792-7102 (this number does not receive text). You must be home to receive your meals or make other arrangements.

If you are able to donate for the meals you receive, please remember that donations need to be mailed to our office, not given to the drivers. Your donation letter comes with a self addressed envelope. If you should need another, ask your delivery driver. We appreciate your donation and your cooperation.
