

Jasper County Jail
Work Release Privilege Rules – For the Driver of a Work Release Inmate

08-2017

You must review these rules, initial each paragraph if you understand the rule and then sign at the bottom of this form before a notary public acknowledging that you will abide by these rules. These rules must be signed by the person who will be doing the driving and your signature must be notarized to be valid.

At the continuing discretion of the Sheriff, some model sentenced prisoners may be allowed to participate in the Jasper County Jail work release program. The inmate must have a job with fixed hours at a fixed location (no “odd jobs” or “choring” or “driving” type jobs will qualify). The inmate must follow the Sheriff’s work release rules, all laws and the applicable jail conduct rules to be granted work release. Work release is wholly at the discretion of the Sheriff under the Sheriff’s rules but must be approved and authorized by the Court.

_____ 1 > I understand that I am transporting a prisoner of the Jasper County Jail. I understand that work release is a privilege. The Sheriff or designee may revoke work release or my ability to transport the inmate at any time in their sole discretion.

_____ 2 > A work release inmate is allowed to be out of the jail for a maximum of 12 hours per day, including travel time. Inmates are not allowed to work more than six (6) days out of every seven (7). I understand that any violation of the maximum 12 hour rule may result in the inmate’s work release being revoked.

_____ 3 > I understand that I must transport the inmate directly from jail to work and back to jail, without excuse or exception. I understand that I cannot consume any alcohol or other non-prescribed drugs at any time covered by this agreement. I cannot take an inmate to any location where alcohol or other drugs may be found. I understand that I am subject to alcohol testing and/or drug screening (normally by urinalysis) when I pickup or deliver the work release inmate at the jail. I hereby consent to such testing/screening as an absolute condition to participate as a driver for a work released inmate. I understand that if I am found to be in possession of or having consumed alcohol or other drugs that my privilege to transport an inmate is automatically revoked. I may be charged with a crime if found to possess controlled substances or if I test positive for consumption of alcohol or controlled substances.

_____ 4 > I understand that the inmate is not allowed to go into any business. If I need to fuel my vehicle I must do so before picking up the work release inmate. I cannot pay at the pump with an inmate in my vehicle. If I violate this rule then the inmate will lose their work release and I could be criminally charged if laws apply.

_____ 5 > I understand that I may provide a meal for the inmate I am transporting, but I must pick up the food before the inmate is in my vehicle. I understand that I cannot stop for food or drink while the work release inmate is in my vehicle. If I do stop for food or drink then the inmate will lose their work release and I could be criminally charged if laws apply.

_____ 6 > I understand that I must transport the inmate directly from the Jasper County Jail to their work place and directly back from the work place to the Jasper County Jail without delay or stopping at any other place. I cannot take the work release inmate to their home. I cannot take the work release inmate to my home or any other person’s home. If I violate this rule then the inmate will lose their work release and I could be criminally charged if laws apply. I understand that the work release inmate may also be charged if laws apply.

_____ 7 > If I am found to be providing false information to law enforcement to protect a work release inmate who is not following the work release rules, or who is using drugs or alcohol at work, or who is not going to work when and how they are supposed to, or are in any other way violating their work release rules, that I can be charged criminally. I understand that if the work release inmate does violate any of the Sheriff’s work release rules the work release inmate may be charged criminally as well.

If the form is not signed or notarized it is not valid and you will not be allowed to transport the inmate.
